

## Colour your own bookmark

Colour in one side of the bookmark, then get creative and design the other side yourself.

Cut out and glue both sides together.

Use it to save your place during your reading journeys!

**Dolphins are great  
at catching their  
own food.  
Please don't feed  
the dolphins.**

**Pick up litter and  
reel in fishing lines  
when dolphins are  
around.  
We can all help to  
keep our ocean  
friends safe!**
